MalikCo LLC Named to DiversityBusiness.com's Top Women Owned Businesses - 2014

Campbell, CA, July 1, 2014 - DiversityBusiness.com, the nation's leading multicultural social media site, has recently acknowledged MalikCo LLC as one of the Nation's "Top Businesses" for 2014. This exclusive ranking is a reflection of MalikCo's overall vision, leadership and economic accomplishments in moving our economy forward. The award, known as the Div500, represents the most unique class of companies who have earned the distinction of fostering a culture of sustainable growth among the communities they serve.

2014 marks DiversityBusiness.com's 14th annual listing of the Nation's top businesses. Over 1.3 million businesses participated in this year's program. The "Top Businesses" are determined by a selection committee which evaluates the eligibility for all submissions in each award categories. The selection committee bases their decision on a set of criteria which includes: reviewing each entrant's business profile, website and gross annual sales submitted. The businesses selected on these lists have become highly coveted among corporations, government agencies and educational institutions who desire to increase opportunities with privately-held businesses.

"We are very proud to continue to support men and women who have become the core of our nation's innovation, productivity and growth", says Kenton Clarke, President & CEO of DiversityBusiness.com. He goes on to add, "I am very optimistic about our future especially as this distinct group of entrepreneurs continue to produce immeasurable results and serve as a prime example for current and generations to come."

"To have MalikCo named on such a distinguished list year after year is truly an honor and would not be possible without the hard work and dedication from everyone on the MalikCo team", says Stephynie Malik, President & CEO of MalikCo LLC.

The List

This List is a classification that represents the top privately-held businesses in the U.S., in sectors such as technology, manufacturing, food service and professional services. The List offers a comprehensive look at the strongest segment in the United States economy- America's privately-held businesses. Large organizational buyers who do business with multicultural, small and women-owned businesses all use the list. The List has garnered over 20 million annual views since inception.

“Lists such as this one are extremely influential when it comes to the diversity business ecosystem that exists today”, says Malik.
